CURRICULUM VITAE AND PORTFOLIO

Prof. (Dr.) Sandeep Tiwari

Director, Sub Regional Science City and Innovation Hub, Bodh Gaya

Senior academic administrator, mechanical engineering researcher, and leader in innovation, incubation and entrepreneurship, with 30+ years in academia and 5 in industry.

PART I

Profile and career

PROFILE

Executive profile

CURRENT ROLE	SUBSTANTIVE POST	EXPERIENCE	PERSONAL
Director, Sub Regional Science City and Innovation Hub, Bodh Gaya (on deputation, Government of Bihar)	Principal, Government Engineering College, Sheikhpura, DSTTE Bihar, from 26 Dec 2025	30+ years academic, including more than a decade as Director or Principal, and 5 years in industry	Indian national, born 26 April 1971

Senior academic administrator, mechanical engineering researcher and institutional leader with more than 30 years in education and industry. His leadership spans funded initiatives, innovation and incubation, entrepreneurship, institutional partnerships, the C-DAC Finishing School for 3D Printing and Additive Manufacturing, an IoT laboratory and innovation-centre development.

His research profile includes an H-index of 7, five Ph.D. scholars awarded, patents and funded research. He has served as an AICTE Margdarshak for the National Board of Accreditation, completed the AICTE/UKIERI Leadership and Management Programme with the Chartered Management Institute, UK, and serves as Advisor (India) to the International Youth Fellowship, South Korea.

Core expertise

Academic administration; innovation and incubation; mechanical engineering; additive manufacturing and 3D printing; IoT and entrepreneurship; research management; accreditation and quality assurance; industry–

academia collaboration; funded projects; faculty and student development; international leadership; intellectual property and patents.

At a glance

- **₹10 crore+** in funds mobilised across institutions.
- **100+ national and 15+ international** plenary and invited talks.
- **50+** national examinership assignments.
- **5** Ph.D. scholars awarded under his supervision.

Earlier institutional achievements

- Coordinated the establishment of incubation centres in Government Engineering Colleges of Uttar Pradesh, and served as Dean (Innovation & Incubation), AKTU.
- Krishna Engineering College, Ghaziabad: All India Rank 271 of 2,830 colleges in Internship Day 2019, and a 4-star rating for its Institution Innovation Council from the MHRD Innovation Cell.
- Accurate Institute of Management and Technology was named Best Private Engineering Institute, North India, at the ABP National B-School Awards 2012, during his tenure as Director.
- Helped formulate the Mechanical Engineering programme for Bihar Engineering University, approved on 14 May 2025 and introduced in 2025.

CAREER

Career

Academic experience, 25+ years

INSTITUTE	DESIGNATION	DURATION
Government Engineering College, Sheikhpura	Principal (on deputation as Director, Science City and Innovation Hub, Bodh Gaya)	26 Dec 2025 to date
Darbhanga College of Engineering, Darbhanga	Principal	14 Nov 2022 to 25 Dec 2025
Rajkiya Engineering College, Ambedkar Nagar	Director	5 Apr 2021 to 11 Nov 2022
Krishna Engineering College, Ghaziabad	Director	6 Jul 2017 to 3 Apr 2021
Global Institute of Management and Technology, Gurgaon	Director	23 Sep 2015 to 1 Jul 2017
Amity School of Engineering, Amity University, Noida	Professor	Mar 2014 to Sep 2015
Accurate Institute of Management and Technology, Greater Noida	Director	Sep 2011 to Sep 2013
Accurate Institute of Management and Technology, Greater Noida	Director Research	Mar 2010 to Sep 2011
College of Engineering and Technology, IILM-AHL, Greater Noida	Professor and Head	Oct 2009 to Mar 2010
Accurate Institute of Management and Technology, Greater Noida	Associate Professor and Head	Aug 2008 to Oct 2009

INSTITUTE	DESIGNATION	DURATION
G.L.A. Institute of Technology and Management, Mathura	Reader, Mechanical Engineering	Jan 2007 to Aug 2008
Azad Institute of Engineering and Technology, Lucknow	Assistant Professor and Senior Lecturer	Jun 2000 to Jan 2007

Industrial experience, 5 years

ORGANISATION	ROLE AND RESPONSIBILITIES	DURATION
Tribhuvan Steel Industries Ltd.	Production Engineer, reporting to the General Manager (Production). Production, heat treatment, finishing, inspection, testing and dispatch.	Apr 1998 to May 2000
Subhash Project and Marketing Ltd., New Delhi	Mechanical Engineer, reporting to the Vice-President (Planning). Site selection for 6 MW hydroelectric stations at Chamoli, and technical collaboration with foreign clients.	Jan 1994 to May 1996

Governance and consulting

- **Governance:** Executive Council, Academic Council and Finance Committee responsibilities, including AKTU, Bihar Engineering University and Dr. A.P.J. Abdul Kalam Women’s Institute of Technology.
- **Accreditation:** AICTE Margdarshak for NBA from 15 June 2019.
- **Consulting:** Senior Consultant, Slog Square Electromech Pvt. Ltd. (from Aug 2017); Technical Consultant, Jyoti Cero Pvt. Ltd. (from Apr 2020); Technical Consultant, Rosa Tech Pvt. Ltd. (from Jul 2022).

EDUCATION

Education

QUALIFICATION	INSTITUTION	YEAR AND DETAIL
Ph.D., Mechanical Engineering	Gautam Budh Technical University, Lucknow (now AKTU)	2011; research at IIT (BHU), Varanasi, 2004 to 2008
M.E., Mechanical Engineering	University of Roorkee (now IIT Roorkee)	1998, First Division
B.E., Mechanical Engineering	Karnataka University, Dharwad	1993, First Division
Continuing Education Programme, Advanced Manufacturing	IIT Kharagpur	June 2001, Grade A

Ph.D. guides: Prof. P. C. Pandey, Emeritus, IIT Kanpur, former Professor and Head (Mechanical and Industrial Engineering), University of Roorkee; and Prof. Harvendra Singh, former Director, Bundelkhand Institute of Engineering and Technology, Jhansi.

PART II

At Darbhanga College of Engineering

Principal, 14 November 2022 to 25 December 2025. In three years as Principal of DCE Darbhanga, he brought a ₹6 crore C-DAC Finishing School and the MIITIE incubation centre to Mithila, signed 16 MoUs, and opened the campus to farmers, women entrepreneurs and nearby villages.

₹6 cr	505	30+	16
C-DAC Finishing School for 3D Printing and Additive Manufacturing, funded by MeitY	people trained at the Finishing School, with 18 placements	start-ups onboarded at MIITIE, all funded at ₹10 lakh each	MoUs with government bodies, universities and industry

MEITY · C-DAC KOLKATA

C-DAC Finishing School for 3D Printing and Additive Manufacturing

ROLE	FUNDING	FIRST BATCH
Co-PI	About ₹6 crore, C-DAC under MeitY's National Capacity Building Mission	10 May 2025

DCE was selected as one of the nodal centres in Bihar for C-DAC's Finishing School on 3D Printing and Additive Manufacturing. The college now runs an industrial additive-manufacturing laboratory that trains its own students alongside engineers from other institutions.

- **505 trained**: 336 from DCE and 169 from outside.
- **18 placements** attributed to the programme, at L&T, JSW and Reliance.
- Internships in 3D scanning and reverse engineering with Adroitec.
- Student capstones built on the lab: a 3D-printed prosthetic thumb, an orthotic ankle support from 3D scanning, and studies of ABS-CF and PETG-CF print parameters.
- The opening of the first batch drew C-DAC's Chief Investigator Shri Asit Kumar Singh and more than 50 industries and start-ups.

Earlier, in March 2024, C-DAC Patna also ran a six-day bootcamp on drones and allied technologies at DCE.

Training hall for Finishing School batches

INCUBATION · GOVERNMENT OF BIHAR

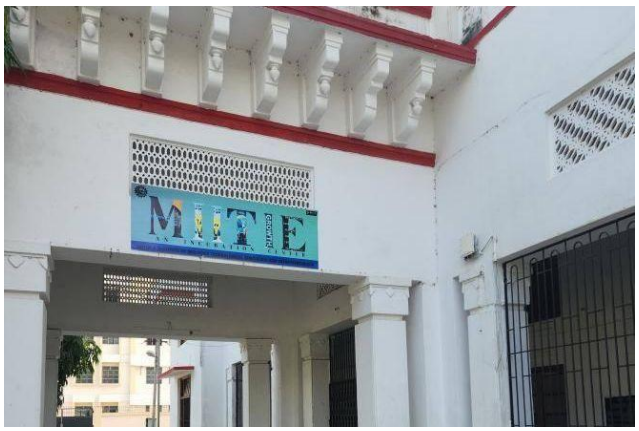

MIITIE: Mithila Institute of Inclusive Technological Innovation and Entrepreneurship

INAUGURATED	CHIEF ADVISOR	REVISITED
4 July 2023, by Shri Samir Kumar Mahaseth, Minister of Industries, Bihar	Sri Naveen Jha, Sr. ALI Fellow, Harvard University	24 August 2024, by Shri Nitish Mishra, Minister of Industries and Tourism

MIITIE is the first incubation centre set up at a state-government engineering college in Bihar. It gives incubatees co-working space, computing, mentoring and training, and links them to state start-up funding.

- **30 start-ups onboarded** in 2023-26, across agritech, edtech, IoT, textiles, handicrafts and clean tech.
- **₹10 lakh from the Bihar Startup Trust Fund** to all start-ups.
- **30+ ideas selected for ₹10 lakh each** under the Bihar Startup Policy 2022, the first time DCE students received such funding.
- 21 mentors onboarded.
- Flagship events: the Glocal Unconference at launch (1 to 4 July 2023), Innovate Mithila (22 to 24 August 2024) and National Start-up Day founders' meets.

> "MIITIE, the innovation incubator, is seeing success with 4 projects already approved by Startup Bihar and many more in the pipeline."
>
> Sri Arvind Jha, Founder, Mithila Angel Network, in the DCE Newsletter 2024

Founders, mentors and faculty outside the centre

PARTNERSHIPS

Collaborations with organisations

PARTNERS	MOUS SIGNED	ADVISORS AND PROFESSORS OF PRACTICE
35+ organisations	16, from Feb 2023 to Dec 2025	Drawn from IIT BHU, IIT Madras, UNSW Sydney, NVIDIA, Harvard and industry

Every partnership DCE formed while he was Principal is listed here, MoUs included, grouped by the kind of partner. Each row says what the partnership actually delivered.

National agencies and government

ORGANISATION	COLLABORATION	OUTCOME	DATE
C-DAC Kolkata MeitY, Government of India	CENTRE Finishing School on 3D Printing and Additive Manufacturing	About ₹6 crore centre; 505 trained, 18 placements	First batch 10.05.2025
C-DAC Patna MeitY, Government of India	PROGRAMME Bootcamp on Drone and Allied Technologies	Six-day hands-on bootcamp on drone assembly, flying and AI/ML	18 to 23.03.2024
NIELIT Patna MeitY, Government of India	MOU Internships and emerging-tech skills	Student internships; Executive Director attended Foundation Day and the Industry-Institute Meet	20.11.2024
ICAR-National Research Centre for Makhana Darbhanga	PARTNERSHIP National Seminar-cum-Exhibition on Makhana and Allied Aquatic Crops	Joint research seminar (NRCM-NASMAC 2024)	17.10.2024
NSIC and MSME DFO Ministry of MSME	PARTNERSHIP MSME interaction and "Employee to Employer" sessions	MIITIE ideas discussed for NSIC support; EDP with MSME planned	Feb 2025
Postal Training Centre, Darbhanga	MOU Entrepreneurship	Entrepreneurship support	07.09.2024

Academic institutions

ORGANISATION	COLLABORATION	OUTCOME	DATE

ORGANISATION	COLLABORATION	OUTCOME	DATE
IIT Patna	MOU PCB Fabrication Lab and co-working area	PCB Fabrication Lab established; co-working area in process	2024 to 2025
IIT Roorkee	LAB IoT Laboratory	IoT Laboratory established at DCE	2022 to 2025
Tezpur University Prof. Robin K. Dutta	MOU Arsenic removal from water	Groundwater testing; filters in hostels and at Mahinam Benipur	Oct 2023
CIMP Patna and CIMP-BIIF	MOU Entrepreneurship	Signed at MIITIE launch; two-day Career Growth workshop	04.07.2023
KIET Group of Institutions	MOU Academic upliftment	Academic exchange and faculty development	27.12.2023
IIT BHU, IIT Madras, UNSW Sydney	FACULTY Professors of Practice and advisors	Prof. S. N. Upadhyay, Prof. P. K. Mishra, Prof. Shreesh Chaudhary and Prof. Sanjay Jha guide teaching and research	2023 to 2025

Industry and skills

ORGANISATION	COLLABORATION	OUTCOME	DATE
Extra C	MOU Soft skills	Extra Edge Club opened; Crossword Workshop (15.02.2024) and "A Handshake with Language" (24.02.2024) held	16.12.2023

Community and social

ORGANISATION	COLLABORATION	OUTCOME	DATE
Panchjanya Centre Prof. Shreesh Chaudhary	PARTNERSHIP Education and healthcare causes	Community development work	2024
Lions Club of Darbhanga	PROGRAMME Mega Health Camp	12 doctors for students, staff and community	29.09.2024
Indian Red Cross Society, Swami Vivekanand Cancer Aspatal, MEANS	PROGRAMME Red Cross Day	Blood donation and plantation drive	08.05.2025
SAKHI Bihar, Bihar Mahila Udyami Sangh, Jeevika	PROGRAMME Women Entrepreneurship Conclaves	Jeevika Didis and girl students mentored toward MIITIE	2023 and 2024
NABARD and Sangharsh Bioenergy FPC	PROGRAMME Farmers' Conclaves	Agripreneurship sessions for local farmers	2023 and 2024

An MoU signing at DCE

MoU exchange at the Bihar Startup Awards 2024

COMMUNITY

Outreach in Mithila

ARSENIC UNITS	HEALTH CAMP
Hostels and Mahinam Benipur, 29 December 2024	12 doctors, with Lions Club, 29 September 2024

The college became a meeting place for the region's farmers, women's self-help groups and schoolchildren.

- **Safe water.** With Tezpur University's patented Arsiron Nilogon technology, DCE tested groundwater, installed arsenic filters for hostel students and distributed units to households in Mahinam Benipur.
- **Women entrepreneurs.** Conclaves in 2023 and 2024 brought Jeevika Didis (50 in 2023) together with girl students and founders, with MIITIE support pledged to their ideas.
- **Farmers.** Farmers' conclaves with NABARD and producer companies, and an agripreneurship workshop at Innovate Mithila.
- **Schools.** The Pahal initiative sends faculty to teach in nearby schools; a district Science Mela for school students was held at the MIITIE building on 5 October 2024.
- **Health and relief.** Regular health and blood donation camps, Red Cross Day (8 May 2025) and food donation in flood-hit areas.
- **Rural innovation.** "Empowering Bharat" (13 May 2025) with Shri Kamal Taori, IAS (Retd.), on Gram Swaraj and self-reliance.

Arsenic filter distribution, Mahinam Benipur

Mithila handicraft stall at a start-up exhibition

School students at the Science Mela

STUDENTS

Academic reforms and results

- Weekly display of classroom attendance, with classroom attendance counted for exam eligibility.
- Professors of Practice and advisors from IITs, international universities and industry; regular faculty sessions with professors from IIT Kanpur, IIT Madras, IIT Delhi, IIT Patna and IIITM Gwalior.
- Japanese language classes (two batches of 12 preparing for JLPT) and German training.
- Tech Next online talks, Meet Bihar Achievers, guided MOOCs, and the first international conference at DCE, ICMIT-2025 (25 May 2025).

- 2020-24 batch: 80 students placed, a highest package of ₹43 LPA at ServiceNow (the highest ever in DSTTE colleges), 17 GATE qualifiers and 7 admitted to IITs and NITs.

CAMPUS

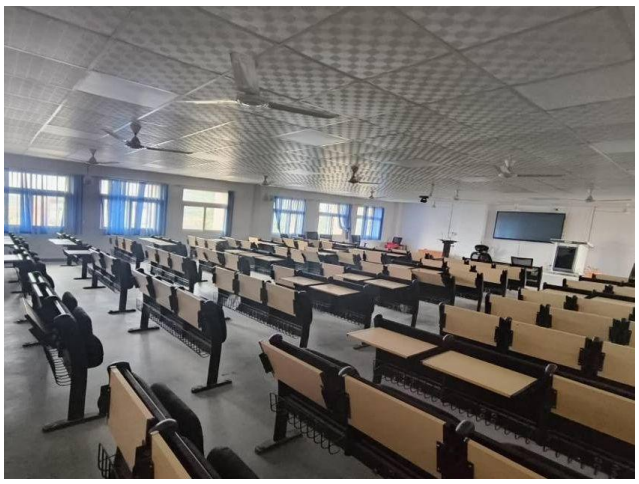

Infrastructure created

Alongside the new centres, the campus itself was rebuilt for students and visitors: a new main gate and internal roads, seminar halls, a language lab, a conference room, auditorium facilities and faculty cabins. The 2024 newsletter lists the language lab, conference room, faculty lounge and seminar hall as infrastructure developed in 2023-24.

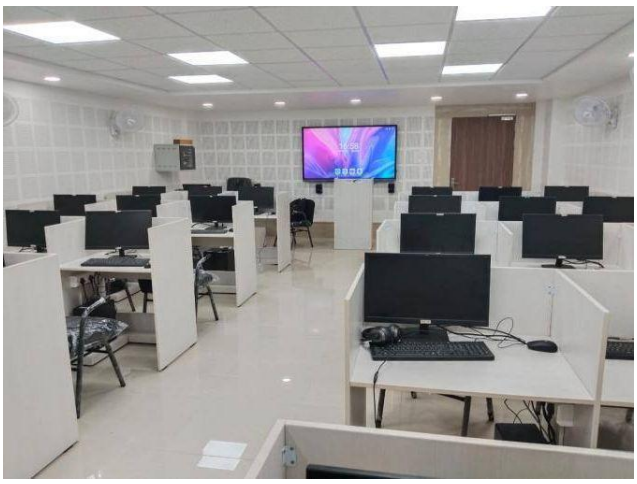

Main entrance gate

The new gate and gatehouse, with the planted approach and sports court inside.

Seminar halls

Tiered seminar hall used for expert lectures and conferences.

Language lab

Booth-based lab used for Japanese classes and communication training.

Seminar Halls

Venue for different events.

Faculty cabins

Partitioned cabins and a shared faculty lounge.

Conference room

Used for MoU signings, MSME sessions and meetings with partners.

GUESTS

Intellectuals and leaders who visited DCE

MINISTERS
3 Bihar ministers (Industries, Industries and Tourism, IT)

ACADEMIA
IIT BHU, IIT Kanpur, IIT Madras, IIT Delhi, IIT Patna, IIITM Gwalior, UNSW Sydney, Tezpur University

The campus hosted ministers, IIT professors, international academics, senior administrators and industry leaders, many of them for sessions with students and faculty.

VISITOR	OCCASION	DATE
Sri Samir Kumar Mahaseth Minister of Industries, Bihar	Inaugurated MIITIE	04.07.2023
Sri Nitish Mishra Minister of Industries and Tourism, Bihar	Innovate Mithila; visited MIITIE and the heritage building	24.08.2024
Sri Krishna Kumar Mantoo Minister of IT, Bihar	Chief guest, Industry-Institute Meet	02.05.2025
Prof. (Dr.) S. K. Verma Vice Chancellor, Bihar Engineering University	Chief guest, 16th Foundation Day	20.11.2024
Sri Vivek Kumar Singh Chairman, RERA; former Development Commissioner, Bihar	Opened the Extra Edge Club	16.12.2023
Sri Udayan Mishra and Sri Rajeev Raushan Director, DSTTE; District Magistrate, Darbhanga	Extra Edge Club and Extra C MoU	16.12.2023
Shri Kamal Taori, IAS (Retd.) Former Secretary, Government of India	Keynote, Empowering Bharat	13.05.2025
Prof. S. N. Upadhyay Former Director, IIT BHU	Orientation of the 2024 batch	Sep 2024
Prof. (Dr.) P. K. Mishra Professor (HAG), IIT BHU; former VC, AKTU	Opened Yuvotsav 2023; 2024 induction; entrepreneurship session	2023 to 2024
Prof. Kripa Shanker Deputy Director, IIT Kanpur; former VC, GBTU Lucknow	Faculty interaction	2024
Prof. Sri Niwas Singh Director, IIITM Gwalior	Faculty interaction	2024
Prof. Devendra Jalihal Electrical Engineering, IIT Madras	Faculty interaction	2024
Prof. Kumar Neeraj Jha Civil Engineering, IIT Delhi	Faculty interaction	2024
Prof. Jawar Singh Electrical Engineering, IIT Patna	Faculty interaction	2024
Prof. Sanjay Jha UNSW Sydney, Australia	Session on cyber security	2023 to 2024
Prof. Shreesh Chaudhary Former Professor, IIT Madras	Humanities seminar; 16th Foundation Day	2024

VISITOR	OCCASION	DATE
Prof. Robin K. Dutta Chemical Sciences, Tezpur University	Arsenic-removal partnership	2023 to 2024
Sri Naveen Jha Senior ALI Fellow, Harvard University	Youth Leadership sessions; MIITIE chief advisor	2023 to 2024
Sri Sanjeev Roy National Expert, Higher Education Policy, EU	Live podcast on Erasmus and higher education	28.02.2024
Prof. (Dr.) Nitin K. Puri Executive Director, NIELIT Patna	16th Foundation Day; Industry-Institute Meet	2024 to 2025
Shri Asit Kumar Singh Chief Investigator, C-DAC Kolkata	Keynote, Finishing School opening	10.05.2025
Sri Amar Saurabh and Sri Amit Ranjan TikTok and Amazon, California, USA	From Campus to Corporate	05.02.2025
Sri P. K. Jha Executive Director (Central Zone), NSIC, MSME	MSME interaction session	13.02.2025
Prof. (Dr.) Dolly Sinha and Dr. Rana Singh Pro VC, LNMU; Director, CIMP Patna	Glocal Unconference and MIITIE launch	Jul 2023

Guests outside MIITIE

Orientation-cum-induction programme, 2024 batch

Cyber security seminar with Prof. Sanjay Jha

Live podcast with Sri Sanjeev Roy

Youth Leadership Conclave

LEDGER

Milestones, 2022 to 2025

2022

14 Nov	Takes charge as Principal, DCE Darbhanga.

2023

1 to 4 Jul	Glocal Unconference; MIITIE inaugurated by the Minister of Industries.
16 Dec	Extra Edge Club opened.

2024

18 to 23 Mar	C-DAC Patna bootcamp on drone and allied technologies.
22 to 24 Aug	Innovate Mithila; Minister of Industries and Tourism visits MIITIE.
17 Oct	National seminar on makhana and aquatic crops with ICAR-NRCM.
29 Dec	Arsenic filter units distributed at Mahinam Benipur.

2025

2 May	Darbhanga Division Industry-Institute Meet, opened by the Minister of IT.
10 May	First batch of the C-DAC Finishing School on 3D Printing and AM.
25 May	ICMIT-2025, DCE's first international conference.
2025	30 MIITIE ideas selected for ₹10 lakh each under the Bihar Startup Policy.
25 Dec	Moves to GEC Sheikhpura and the Science City, Bodh Gaya.

PART III

Research, recognition and references

RESEARCH

Research, funding and patents

H-INDEX	PH.D.S AWARDED	PUBLICATIONS	PROJECTS
7	5	25+ journal papers, 15 international and 5 national conference papers, 1 book, 3 chapters	4 nationally sponsored

Funded research and incubation projects

PROJECT	FUNDER	GRANT	ROLE
Finishing School in 3D Printing and Additive Manufacturing, DCE Darbhanga	C-DAC Kolkata, under MeitY	About ₹6 crore	Co-PI
IoT and drone-based agriculture monitoring system, REC Ambedkar Nagar	MMMUT Gorakhpur as nodal agency	₹289.5 lakh in total; REC Ambedkar Nagar received ₹44.648 lakh	Co-PI
Innovation, incubation and entrepreneurship grants, Krishna Engineering College	EDI Ahmedabad, AICTE, DST, DST-NSTDB, MeitY, CST-UP, AKTU	₹118.88 lakh over 2017 to 2020 (₹41.66 + 33.96 + 43.26 lakh)	Director

At Krishna Engineering College, 15 innovative ideas were developed into prototypes; two projects were approved under AKTU's Visvesvaraya Research Promotion Scheme; and two projects were selected under NIDHI PRAYAS by KIET-TBI and one by TBI-IIM Bangalore, for seed funding of ₹20 lakh each.

Patents

PATENT	TITLE	INVENTORS AND STATUS
No. 598967, granted	"Optimized Air-Fuel Mixing & Filtering Device (AFMFD) for Enhanced Fuel Efficiency in Spark Ignition Engines"	Application 202311051115, filed 29 July 2023. Yogendra Nath Yadav, Dr. Mrideema Yadav, Vivek Patel, Dr. Sandeep Tiwari and Ramesh. Granted by the Patent Office, Government of India.
No. 583554, national, product	"An Electric Vehicle Acceleration Enhancer System"	Mahip Singh, Dr. Sandeep Tiwari, Shubham Kumar and Md. Samiruddin Ansari.

- **Dr. Patil Nagesh Umakant,** Shri Venkateshwara University, 2018. Design and development of a multifunctional agribot; two patents filed and published.
- **Dr. Rakesh Kumar Raghuwanshi,** Shri Venkateshwara University, 2019. Mechanical and thermal characterisation of aero-grade PMMA nanocomposites for aircraft canopies.
- **Dr. Bipin Kumar Dwivedi,** Shri Venkateshwara University, recorded as 2019. Efficiency of axial compressors on pressure rise of mass flow and rotor speed.
- **Mr. Chattrapati Chakravarti,** Shri Venkateshwara University, recorded as 2021. Temperature effects on ultrasonic fluid flow.

RECOGNITION

Awards, memberships and international work

YEAR	AWARD OR RECOGNITION
2025	Appreciation and Recognition as Member, UNAccc (Unity of Nations Action for Climate Change Council).
2021	CMI Level 5 Award in Management and Leadership, AICTE/UKIERI Leadership & Management Programme, Chartered Management Institute, UK.
2019	Global Education Award, International Youth Fellowship (IYF), South Korea, on 10 September 2019, for promoting higher education.
2018	Certificate of Appreciation for contribution to education, Rashtriya Shaikshik Mahasangh, Uttar Pradesh.
2012	Best Private Engineering Institute, North India, ABP National B-School Awards, to Accurate Institute during his tenure as Director.
2006	Excellence in Academic Performance, two consecutive years, G.L.A. Institute of Technology and Management, Mathura.
COVID-19	Corona COVID-19 Fighter Award, Drop Roball Federation of India, for helping the public during the crisis.

International Youth Fellowship, South Korea

Appointed Advisor (India) of the International Youth Fellowship on 19 December 2019 and a life member from the same date. IYF is headquartered in South Korea and works in 92 countries. He attended the Global Education Summit organised by IYF at Marwah Studios, Film City, Noida, on 10 September 2019, where he received the Global Education Award.

Prof. Kim Sung Eun of IYF, South Korea (Education Committee Member and Mind Education Specialist, IMEI; Director, IYF Daegu), who visited Marwah Film City, Noida, for the appointment of IYF advisors for the Asia region.

Memberships

- Life Member, International Youth Fellowship (IYF), South Korea, from 19 December 2019.
- Life Member, Institution of Engineers (India).
- Member, India Didactics Association, Higher Education Leaders Community.
- AICTE Margdarshak for NBA, from 15 June 2019.

Selected professional development

- AICTE/UKIERI Leadership & Management Programme, Chartered Management Institute, UK, 2020 to 2021.
- Management Development Programme, “Financing and Valuation of New Ventures and Start-Ups,” IIM Lucknow, December 2019.
- International course, “Transportation Planning and Safety,” IIT Delhi, 2014.
- Short-term training, “Improving Industry Institute Interaction,” NITTTR Chandigarh, 2004.
- Keynote speaker at five national conferences and seminars at K.N.G.D. Modi Engineering College, Modinagar, 2014 to 2019.
